## One Day's Doings In Garland.

Tuesday of this week our street crossings were graveled, the Amusement hall given a thorough cleaning throughout and the evening spent in giving T E Secrist, the departing missionary, a farewell reception at the hall.

Under the supervision of Prest J C Wheelon of the Town Board, 31 teams and many single hands who volunteered to fix up our street crossings, did a fine job that makes "life's walk easy" around our town. About 150 tons of gravel was hauled, 31 loads in the forenoon and 26 in the afternoon. Twenty-eight street crossings, that heretofore were puddles of mud, are now fixed up in excellent condition. Two loads of gravel was put at each crossing and a nice walk made from corner to corner.

The ladies, under direction of Mrs. J C Wheelon, served an excellent chicken dinner at the hall to all the workers from 12 to 2 o'clock. 71 in all partook of their hospitality and greatly enjoyed the dinner. After dinner the ladies, with mopsticks, brooms and other women's weapons, gave the hall a thorough cleaning out and made it look like a new pin.

In reference to the amount of money spent in the past two years in graveled our streets, the following figures may be of interest to many:

County appropriation	\$ 500.00
Sugar Co. appropriation	1,000.00
Donated by citizens	1,131.14
Town Board expended	1,733.61
Cost of Drain	800.00

Total \$5,164.75

Besides this about \$350 has been spent for tools, building bridges, etc., etc.

In the evening a social and dance, which was well attended, was given in honor of T E Secrist, who leaves for a mission to the Southern States the fore part of next month. Dancing was indulged in and ice cream and cake served. A good set of harness belonging to Mr. Secrist was raffled off during the dance and sold for \$32.40. F D Welling held the lucky number—57. At the conclusion of the dance a purse of \$37.25 was presented Mr. Secrist by A H Gleason. Mr. Secrist responded in a few remarks, thanking all present for their good will toward him.

## Card of Thanks.

In behalf of the Town Board and residents of Garland, we desire to extend our thanks to those who so cheerfully turned out to assist on Gravel Day, and especially to the ladies for the splendid dinner which contributed so much to the joy and comfort of the occasion.

We Express our hearty appreciation for the cooperation of our fellow townsmen of Garland North for so kindly giving us a lift.

J. C. WHEELON,  
Prest. of Town Board.

## Death at Riverside.

Agnes E. the three and one-half year old baby of Mr. and Mrs. Niels Monson of Riverside, died at that place Monday. Impressive funeral services were held at the meeting house Wednesday. The body was shipped to Pleasant Grove Thursday for burial, Mr. and Mrs. Monson accompanying the remains.

## The Character Ball.

The Character Ball given at the hall last Friday night, under the auspices of the Garland Library and Gymnasium Board, was a very successful affair, both socially and financially. The hall was filled to its utmost capacity, over 100 characters being represented and many costly and unique characters were among them. Spectators were numerous and were well paid for coming out. Every nation, kindred, tongue and people from east, west, north and south were represented and considerable merriment was created by those who took parts of the "funny kind."

We will not attempt to go into detail and mention each and every character and it would be unjust to single out a few and give them special mention. All the characters represented were well sustained and all present had a jolly good time. The grand march, led by Uncle Sam and the Goddess of Liberty, was a pleasing feature of the evening. Prizes were awarded the two best characters as follows: Mrs. J F Featherstone Japanese lady—best sustained character; David Dorton, Dutchman—best character, both in looks and actions. There were, however, 15 or 20 characters almost equal to those who drew the prizes and the judges had their hands full to make the final decision. The judges were Mrs. M J Richards of Riverside, C G Adney of Corinne and Mr. Hunter of Salt Lake City.

During the evening a fine lunch was served on the stage.

The total receipts were \$80 and the expenses \$40 leaving a total of \$40 on hand for the benefit of the Library Board.

## Another Operation.

Ezra Jensen, son of Mr. and Mrs. Peter Jensen of this city, was operated upon for appendicitis at the Ogden General Hospital Monday. Dr. E C Rich, assisted by Dr. Wm. L. Rich of this city performed the operation. The appendix was large, inflamed and full of pus when taken out and had the operation been delayed a few hours longer, the appendix would have probably burst. Peter Jensen, his father, and Dr. Rich accompanied the young man to Ogden. At last reports he was on the improve. His mother went down to Ogden Tuesday to visit him returning Wednesday evening.

## The Choir Concert.

The concert given by the Garland Ward Choir at the hall Thursday evening drew a good sized house and all present warmly applauded each and every number on the program. Mr. Ashworth of Salt Lake, pleased the audience with the rendition of several choice tenor solos and sang Annie Laurie by request of the audience. The Soldier's Chorus by the choir was rendered in excellent style and we doubt if any choir in Box Elder Co. could have sang the chorus any better. The flag drill, which concluded the program, was certainly worth alone the price of admission.

We were unable to learn to what amount, over and above expenses, the choir was benefitted by the concert, but judging from the crowd in attendance, there will be some funds on hand for the purchasing of new books, etc.

Following is the program carried out:

- 1 Soldiers' Chorus.....Choir
  - 2 Recitation.....Mrs. Lottie Lowe
  - 3 Solo.....Miss Lydia Wright

The Young Women's Temperance Assn. was the subject of the current topics and was treated by Mrs. Agnes Wheelon.

A clipping was read from Mrs. W P Eaton of Los Angeles, Cal., and she desired to be kindly remembered to all the members of organization.

Dainty refreshments were served and the club adjourned to meet at the home of Mrs. J T Lant two weeks hence.

## Sunday Services.

Following were the speakers: T E Secrist, Ludvig Larsen, Peter Jensen and Wm. King. Singing. Benediction by A P Peterson.

Mrs. D E Manning returned last week from a two weeks' visit in Logan.

At the conclusion of the the services, Prest. J C Wheelon of the Town Board, stated that Tuesday, Feb. 25th, had been set aside as a day to fix up the street crossings of town and desired that the public generally volunteer with teams to haul gravel for said purpose inasmuch as the funds of the Town Board were practically exhausted. The ladies volunteered to get up a chicken dinner for the gravel haulers and Mrs. Wheelon was appointed chairman of that committee. It was also decided that the ladies should give the Amusement hall a thorough cleaning on that day.

## To Our Subscribers.

The latest ruling of the Post Office Department is, that Uncle Sam will not carry newspapers at the present rate, if the subscribers are more than one year in arrears with subscriptions. The officials practically insist that subscriptions must be paid in advance. Uncle Sam does not pretend to dictate as to how our business shall be conducted, but he insists that he will not deliver papers to those who do not pay up their subscription, as he is not in the postal business for the pleasure of it altogether.

Now we do not want to lose your subscription. We need it and you ought, by all means, to have our paper, so let's get together and comply with the requirements of the government, thereby making life more pleasant for us all.

At Last.  
For several winters past my wife has been troubled with a most persistent and disagreeable cough, invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year, with no beneficial results.

In November last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by Ritter Bros. drug store. Persistent Cough—Relief Found.
